ABOUT US

Welcome to Inner West Netball Association

We offer a wide range of competitions designed for competitive and social players, coaches, and umpires of all ages and skill levels.

At Inner West Netball Association, we value diversity and believe that everyone should have the opportunity to participate in netball.

Our core values emphasize teamwork, respect, and creating a fulfilling and fun experience for all our members.

We are incredibly proud to have served our community with passion and dedication for nearly 60 years!

HISTORY

Our Story

Since 1966, we've been proud to provide both competitive and social netball opportunities in the Inner Western suburbs of Sydney. What began with just 12 clubs and 30 teams has grown into a vibrant netball community.

From humble beginnings in a tin shed with 9 netball courts, we've expanded to 24 asphalt courts, 14 grass courts, and a state-of-the-art administration building with a BBQ area for all to enjoy.

Over the years, we've had the honor of hosting the Australian Netball Team during their senior carnival in preparation for the 1982 World Championships—a testament to the high standards and rich tradition of netball in our community.

We look forward to being part of your netball journey, and we're excited to continue growing the sport together!
